Update on All Saints Church

During the lock-down a significant fall of masonry from one of the corbels in the clerestory occurred at the rear of the nave. We have delayed the opening of the church as a result. We are waiting for an engineer who is familiar with the building and recommended by our Architect to conduct a close inspection and advise on future opening of the church. Robert Philo, Churchwarden, has continued to check the church inside and outside during the period of closure. After the latest heavy fall of rain some ingress of water was noted, but not out of line with similar events in the past.

COLLECT

O God, you declare your almighty power most chiefly in showing mercy and pity: mercifully grant to us such a measure of your grace, that we, running the way of your commandments, may receive your gracious promises, and be made partakers of your heavenly treasure; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.
